**PROPOSED DEVELOPMENT OF COUNTRY ESTATE ON PORTION 106, 140 AND 222 OF THE FARM ZOUTPANSDRIFT415JQ – P110/1.**

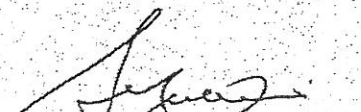

Your letter Ref: Hartland eco dated the 13<sup>th</sup> March 2008 refers:-

An investigation to the proposed access was conducted and our findings are as follows:-

A new access will be considered by the Department 400 meters South of the existing access where the site distance to both directions of road P110/1 (R511) is acceptable.

Approval is therefore granted for a new access as indicated on condition that the existing access be closed afterwards.

Yours truly,
